HELP US RAISE MONEY  
TO PREVENT SUDDEN CARDIAC ARREST!

## Daniel E. Rumph II Foundation Golf Classic 2nd Annual

The **DER II Foundation**  
have planned this Golf  
tournament in hope that lives  
will be saved through the use of  
AED's and Heart and Screenings  
that identify warning sign and risk  
factors for Sudden Cardiac Arrest.

Our Heart Screenings will help  
Dr. Victory Vetter of Children's Hospital  
of Philadelphia with her research study.  
The purpose of the study is to find out if a  
screening test for heart disease called an  
electrocardiogram (ECG) can be use d to identify  
children and adolescents who might have a form of  
he art disease that puts them at risk for having  
Sudden Cardiac Arrest. Every year about 1000  
apparently healthy children and adolescents have a  
sudden cardiac arrest. We believe screening young  
athletes will save lives.

Thursday, June 25, 2015

Registration: 12:45 pm

Shotgun Start: 1:00 pm

# Paxon Hollow Country Club
